
Counterfactuals And Causal Inference Methods And Principles For Social Research

are federal systems better than unitary systems? - 4 focus on causal claims that have plausible ramifications for a wide range of policies and policy outcomes. we treat arguments that are more narrowly focused—i.e., on one specific policy domain—in cursory fashion, or **the first world war: causes, consequences, and ...** - 2 few were spared the war's destruction and other negative consequences, and few emerged better off after the war than they were before. this naturally leads to the
